About the Parent Collaboration Group

Come and get your questions answered!

The Parent Collaboration Group is led by parents like you, and it's there to support you.

Talk with parents who have been through the CPS process about:

- How long will the process take?
- Can I visit my child outside of the CPS office
- What rights do I still have as a parent?
- Can I speak to anyone above my caseworker?

Be sure to tell your caseworker you want to come!

These meetings are all about you as a parent. Come to as many as you want.

Your parent liaisons look forward to helping you. Remember to sign in when you arrive.
