

Someone who will care for you through good times and the bad.
Someone who will make you smile though something's made you sad.
Some one who will pick you up after each and every fall.
Someone who will lift you up and help you stand tall.

I have wept in the night
For the shortness of sight
That to someone's need made me blind,
But I never have yet felt a bit of regret
for being a little too kind!
