Single Source Continuum Contractor: 2INgage

On May 29, 2018, DFPS awarded a Community-Based Care contract to 2INgage, a partnership between Texas Family Initiative LLC and New Horizons Ranch and Center Inc. After six months of readiness activities, 2INgage began serving children and youth as the Single Source Continuum Contractor (SSCC) for the DFPS Region 2 on December 1, 2018.

Texas Family Initiative has national experience providing foster care, adoption, case management, placement, and family preservation services. New Horizons Ranch has strong community relationships with DFPS and community leaders and has experience in providing an array of quality services in Region 2.

This partnership has combined child welfare experience of more than 95 years, and is committed to the following core principles:

- **INform** and empower network agencies to see themselves as part of this community and therefore take responsibility along with the community for those children.
- **INspire** a more positive, performance driven system for families and children.
- **INgage** community to understand that the children entering the foster care system from their community are their children.

Texas Family Initiative brings strength through their extensive national experience providing foster care, adoption, case management, placement and family preservation services, as well as providing agency oversight to ensure accountability and quality services within a provider network. The Texas Family Initiative has experience in Texas community-based care and will bring their knowledge to promote industry innovation and grow resources in the communities within Region 2. TFI Family Services, Inc. (TFI) serves as the parent company to Texas Family Initiative LLC. TFI, founded in 1965, is a multi-state child welfare, behavioral health and administrative support organization with licenses in good standing in five states. TFI is a 501(c)(3) private, non-profit organization accredited by the Council on Accreditation (COA).

New Horizons has strong relationships with Region 2 DFPS staff, community leaders, and community providers extending over many years. They are recognized leaders in the provision of quality services and have been involved in the development of Community Based Care for more than a decade. Their strength and
focus lie in their individualized and trauma-focused services for every child and family they serve, community engagement that maximizes investment in and support of children, and development of a robust network of child and family focused organizations.

*Note: Some links in this document will only work for DFPS and 2INGAGE staff with access to the DFPS Intranet.*

**Community-Based Care**

This operations manual gives CPI, CPS and 2INgage staff a more in-depth look at the protocols for case actions in conservatorship cases that include placement and case management services provided through Community-Based Care in Region 2.

**Background**

Community-Based Care is a new way of providing foster care and case management services. It’s a community-based approach to meeting the individual and unique needs of children, youth, and families. Within a geographic catchment area, a single contractor (officially a Single Source Continuum Contractor or SSCC) is responsible for finding foster homes or other living arrangements for children in state care and providing them a full continuum of services.

DFPS began expanding the community's role to meet the challenges of serving children in foster care under Foster Care Redesign. Under Foster Care Redesign, a SSCC was responsible for:

- Developing foster care capacity.
- Building a network of providers.
- Engaging the community to help.
- Foster care placement services.
- Coordinating and delivering services to children in foster care and their families.

In 2017, the Texas Legislature directed DFPS to expand this model to include both foster care and relative or "kinship" placements and give the SSCC sole responsibility for case management - rather than sharing that responsibility with DFPS.

As Community-Based Care takes shape statewide, CPS' focus will shift to ensuring quality oversight of foster care and services for children and families. The SSCC will be responsible for case management and services that move children from foster care or kinship care into a permanent home.

**Community-Based Care Quality Indicators**

1. Children and youth are safe from abuse and neglect.
2. Children and youth are placed in their home communities.
3. Children and youth are appropriately served in the least restrictive environment.
4. Children and youth have stability in their placements.
5. Connections to family and others important to the child are maintained.
6. Children and youth are placed with their siblings.
7. Services respect the child’s culture.
8. Children and youth are provided opportunities, experiences, and activities similar to those available to their peers who are not in foster care.
9. Youth are fully prepared for successful adulthood.
10. Youth have opportunities to participate in decisions that affect their lives.
11. Children and youth are reunified with their biological parents when possible.
12. Children and youth are placed with relative or kinship caregivers if reunification is not possible.

Community-Based Care is intended to allow a SSCC and the community more flexibility to innovate to meet the unique needs of the children, youth, and families in each designated service area. This increased flexibility comes with greater responsibility and accountability for overall safety, permanency, and well-being outcomes.

Operating Policies and Rules

The protocols detailed in this operations manual are for children from Region 2 (legal county is within Region 2) placed with and/or receiving services through 2INgage as the Single Source Continuum Contractor.

DFPS Policy, Resource Guides and other supportive material linked in this operating manual may reference DFPS staff specifically. Texas statute provides authority for the Single Source Continuum Contractors (SSCC) in the State of Texas, either directly or through subcontractors, to assume the statutory duties of DFPS staff. See Legal Basis for DFPS and Single Source Continuum Contractor Relationship.

CPS Handbook policies and DFPS and HHSC Texas Administrative Code rules, including HHSC Child Care Licensing Minimum Standards, apply to an SSCC unless specifically waived. See Foster Care Redesign Texas Administrative Code (TAC) Rules Waiver for a listing of (TAC) rules that are waived. In the case of conflict between the CPS handbook policy requirements and this Operations Manual, the Manual will govern the operations in Region 2.

If you have any questions about any information in this manual, please contact your supervisor or Lisa Lopez, Region 2 Community-Based Care Administrator at (325) 428-8132 Lisa.Lopez@dfps.state.tx.us.

Legal Basis for Single Source Continuum Contractor to Act on Behalf Of CPS

Texas statute provides authority for the Single Source Continuum Contractors (SSCC) in the State of Texas either directly or through subcontractors, to assume the statutory duties of the Texas Department of Family and Protective Services (DFPS) in connection with the delivery of foster care services, relative and kinship caregiver services, and case management services in the SSCC’s defined catchment area.

In accordance with Texas Family Code §264.151, the provision of case management services to a child for whom the department has been appointed Temporary Managing Conservator or Permanent Managing Conservator or to the child’s family, a young adult in extended foster care, a relative or kinship caregiver, or a child who has been placed in the catchment area through Interstate Compact on the Placement of Children, and includes, but is not limited to:

1. Caseworker visits with the child, family and caregivers;
2. Convening and conducting permanency planning meetings;
3. Development and revision of child and family plans of service, including a permanency plan and goals for a child or young adult in care;
4. Coordination and monitoring of services required by the child & the child’s family;
5. Assumption of court-related duties regarding the child; and
6. Any other function or service that the department determines necessary to allow a Single Source Continuum Contractor to assume responsibility for case management.

History

In 2017, the 85th Texas Legislature through Senate Bill 11 established the Community-Based Care (CBC) Model for delivery of the state’s child welfare services. Under the CBC Model, DFPS is required to purchase case management and substitute care services from the SSCC for children, youth and young adults who are in the department’s conservatorship or who are receiving services through the extended foster care program.

Implementation of the CBC model transitions the Texas child welfare system from a statewide, "one size fits all" approach, to a community-based model designed to meet the individual and unique needs of children, youth and families in Texas at the local level.

As of December 2019, DFPS is implementing CBC in 5 catchment areas of the state: catchment areas 1 (Lubbock/Amarillo), 2 (Abilene/Wichita Falls), 3b (Fort Worth Area), 8a (San Antonio/Bexar county), and 8b (Region 8 counties surrounding Bexar county). The latest version of the statewide Implementation Plan can be found [here](#).
Authority

Under Texas statute, the Legislature required DFPS to contract with community-based nonprofit and local governmental entities to provide child welfare services. These statutes provide authority for the community-based entities, known as the SSCC, to either directly or through subcontractors, assume the statutory duties of the department in connection with the delivery of foster care services and services for relative and kinship caregivers in the SSCCs defined catchment area. Delivery of foster care services and services to relative and kinship caregivers can include but is not limited to:

- A SSCC staff member’s direct contact with a child or youth in DFPS Conservatorship who they are serving under the SSCC continuum of care;
- A SSCC staff member’s ability to visit privately with a child or youth in DFPS Conservatorship at schools, foster or kinship homes or any other meeting site;
- Entities providing confidential information to a SSCC staff member upon request about a child or youth in DFPS Conservatorship who is served under the SSCC continuum of care.

Under Texas statute, an SSCC in a contract with DFPS will, at a minimum:

1. Assume the statutory duties of DFPS in connection with the delivery of foster care services and services for relative and kinship caregivers in a defined catchment area.
2. Provide or protect records as outlined in the Open Records Act found in Texas Government Code Chapter 552.

When acting as a representative of DFPS, be afforded protection of attorney-client privilege in communications between the SSCC’s employee, agent or representative and a prosecuting attorney or other attorney representing DFPS.

Under Texas statute, DFPS will, at a minimum:

1. Contract with community-based nonprofit and local governmental entities that have the ability to provide child welfare services.
2. Develop and maintain a plan for implementing Community-Based Care.
3. Develop a formal review process to assess the ability of a single source continuum contractor to satisfy the responsibilities and administrative requirements of delivery foster care services and services for relative and kinship caregivers.
4. Expand community-based care.
5. Review contractor’s performance.
6. Provide legal representation in an action under the Texas Family Code.

Texas statute found in the Texas Family Code provides additional details regarding the requirements of the SSCC and DFPS.

In summary, the SSCCs, under contract with DFPS, assume the statutory duties of DFPS in connection with the delivery of child welfare services in a defined catchment area. Vendors and other organizations should treat the SSCCs as an agent of DFPS as it relates to the child welfare services being delivered by the SSCCs.
Placement and Family Service Referrals

Region 2 INV/FBSS staff will work directly with 2INgage upon determining that a child is entering DFPS conservatorship. This section outlines protocols for referrals for new paid placements, kinship placements and other non-paid placement settings.

INV/FBSS staff must follow CPS Handbook policy related to the assessment, consideration, and selection of the least restrictive placement for every child’s initial placement in substitute care. For more information, see CPS Handbook policies:

- 4114 Required Factors to Consider When Evaluating a Child’s Possible Placement
- 4114.4 Preference for the Least Restrictive Setting

2INgage is responsible for assessing the service level needs of children (policy 4410 Service Level Determinations and Reauthorizations) in conservatorship and providing a continuum of care and services to each child. CPS Handbook policies and other items related to requesting a service level for a child are, therefore, waived. See Foster Care Redesign Texas Administrative Code (TAC) Rules Waiver for more information.

General Requirements for all SSCC Placements

Regardless of the type of placement, INV/FBSS workers must staff the child’s case and specific needs with their supervisor and Program Director and obtain approval prior to requesting any type of substitute care placement and case management services from 2INgage.

- In situations where the removal worker has identified that a child may require substitute care placement, the Program Director (PD) may direct the INV/FBSS worker to provide 2INgage advance notification of a child’s need for possible placement.
- The INV/FBSS worker will notify 2INgage by email or phone within 1 hour of the initial referral /call if it is determined that placement is not needed.

Child Sexual Aggression Designation Related to Removals and Placement

2INgage’s Vice President of Permanency is the designated individual responsible for determining if a child or youth’s behavior meets the definition of being sexually aggressive and has specific protocols and definitions that guide in that decision. If a child or youth is determined to have sexually aggressive behavior, 2INgage’s Vice President of Permanency must document the behavior in the child or youth’s case record and in the child or youth’s application for placement.

If DFPS staff have a child/youth entering DFPS conservatorship from a Region 2 county who needs to be assessed for sexually aggressive behavior, DFPS must:

- Contact the 2INgage Vice President of Permanency, Randy Neff, Rneff@2INgage.org (940) 765-1164.
- 2INgage Vice President of Permanency is responsible for the CSA designation in IMPACT for any child or youth legally from Region 2.
• As soon as the removal worker is made aware of possible sexual aggression they will alert their chain of command and the removal Program Director will email 2INgage Vice President of Permanency to set up a child sexual aggression staffing.

• 2INgage Vice President of Permanency will schedule the staffing within 48 hours of notification. Participants include:
  o DFPS Removal Worker (required)
  o DFPS Supervisor (required)
  o DFPS Program Director (required)
  o 2INgage Permanency Case Manager (required)
  o 2INgage Permanency Supervisor
  o 2INgage Director of Permanency.

• The removal worker will be prepared to share all known information required for the staffing.

• 2INgage Vice President of Permanency will be responsible for documenting the staffing in IMPACT as well as making the designation if determined in IMPACT.

For additional information regarding Child Sexual Aggression please refer to CPS Policy 6241.11 Working with Children Who Are Sexually Aggressive, Have Sexual Behavior Problems, or Are Victims of Sexual Aggression and the Child Sexual Aggression Resource Guide.

If the designation is determined at the time of removal
• And the child or youth has not been placed, DFPS worker updates the abbreviated version of the Application for Placement (form 2087ex) thoroughly before submission to 2INgage for placement.

• If the child or youth has already been placed, and the placement is not aware of the child or youth’s behavior, the DFPS worker IMMEDIATELY notifies the 2INgage Permanency Case Manager and the placement about the child or youth’s behavior and documents the notification in IMPACT.

If the designation is determined after the child or youth is in conservatorship
• And the child or youth is pending a new placement, 2INgage staff launches a new application for placement. The new application for placement will autofill with the information from the sexual aggression page in IMPACT.

• And the child or youth is currently in placement, the 2INgage Permanency Case Manager updates Child Plan of Service (CPOS) for the child or youth who was determined to have sexually aggressive behaviors and the child or youth who was the victim of child sexual aggression to include services and supports.

Within 24 hours of the child or youth being identified as being sexually aggressive, 2INgage’s Vice President of Permanency will send an email to the 2INgage Program Director asking that they confirm that the Permanency Case Manager has updated the application for placement, updated the Child Plan of Service, and notified the placement and Provider Child Case Manager.

The Director of Permanency will have 24 hours to respond to the Vice President of Permanency confirming the above activities required of the Permanency Case Manager have been completed.

Child Sexual Aggression, Sexual Victimization, Sexual Behavior Notification:

Initial Placements
• DFPS will complete Form 2279
• DFPS will complete the question under the sexual victimization tab in IMPACT and enter any episodes if marked yes.
• If sexual aggressive behavior is identified, DFPS will follow the child sexual aggression designation process above.
• If applicable, DFPS will complete the trafficking information in IMPACT prior to printing the Child Sexual History Attachment A form.
• DFPS will print the Child Sexual History Attachment A form.

If DFPS IS transporting the child to the initial placement, DFPS will:
  o Discuss the information in Form 2279 and the Child Sexual History Attachment A with the receiving caregiver.
  o Obtain signatures from the receiving caregiver,
  o Use the “Genius” app on their work phone to scan the signed Child Sexual History Attachment A and email to themselves.
  o Upload Form 2279 and Child Sexual History Attachment A into OneCase in IMPACT.

If DFPS IS NOT transporting the child to the initial placement,
  o DFPS will provide 2INgage with a printed copy of Form 2279 and Child Sexual History Attachment A.
  o 2INgage, or their designee, will be responsible for discussing information in Form 2279 and Child Sexual History Attachment A with the caregiver at the time of placement.
  o Obtain the signature of the receiving caregiver.
  o Upload signed Form 2279 and Child Sexual History Attachment A into OneCase in IMPACT.

**Subsequent Placements**
• 2INgage will update all information under the person detail page tabs prior to the placement change.
• 2INgage (or designee) will be responsible for discussing information in the 2INgage’s Region 2 Placement Change Form and Child Sexual History Attachment A with the caregiver at the time of placement.
• Obtaining the signature of the receiving caregiver.
• Uploading a signed copy of 2INgage’s Region 2 Placement Change Form and Child Sexual History Attachment A into OneCase in IMPACT.

**New Placement and Case Management Referrals**
After INV/FBSS determines, with Supervisor and Program Director approval, that the child requires placement the worker must determine if the child needs placement in a Kinship Placement, Paid Placement or other Non-Paid Placement.

**Paid Placement Needed**
This paid placement process is used when INV/FBSS worker makes a referral to 2INgage for a child or youth who is in immediate need for paid foster care placement and case management services and is not currently served by 2INgage. This process will be used for all emergency and non-emergency removals.

Placing Children Who Have Intellectual or Developmental Disabilities (IDD), Primary Medical Needs (PMN) or Complex Medical Needs

Placing children who have IDD or primary medical needs requires careful consideration to make the best placement matches to serve the special needs of these children. The Primary Medical Needs Resource Guide describes the needs of children who have Primary Medical Needs (PMN). The Foster and Licensed Facility Placements Process Resource Guide describes the needs of children who have IDD needs.
**Emergency Placement Process**

INV/FBSS workers should follow the process outlined in Emergency Paid Placement process when requesting an emergency paid foster care placement from 2INgage for a child with Intellectual or Developmental Disabilities (IDD), Primary Medical Needs (PMN) or Complex Medical Needs.

In addition to the emergency placement process, the INV/FBSS worker will:

- Upon placement referral or prior to the removal, when possible, coordinate a telephone staffing with the INV/FBSS supervisor and Program Director, regional CPS Subject Matter Experts (Nurse, Developmental Disability Specialist, Well-Being Specialist), and 2INgage Intake Placement Specialist to discuss:
  - The specific needs of the child or youth.
    - I.e. if a child needs a hospital sitter, INV/FBSS will request and pay for this service and share coordination with 2INgage.
  - The ability of available placement options to meet the child or youth’s specific needs.
- After a placement has been recommended by 2INgage, work with the 2INgage Intake Placement Specialist to coordinate a telephone staffing with the chosen caregivers, their provider, medical staff (if applicable), 2INgage Permanency Case Manager, 2INgage Permanency Supervisor and Director of Permanency, regional CPS Subject Matter Experts (Nurse, Developmental Disability Specialist, Well-Being Specialist), and STAR Health staff to:
  - Discuss the specific needs of the child or youth.
  - Discuss the expectations of placement.
  - Develop a plan to move the child or youth and establish services in the new placement.

The DFPS Education Specialist should be included in the staffing as appropriate. If possible, the staffing should occur prior to the child or youth arriving in his or her new placement, but no later than two business days after the child or youth’s placement.

**Non-Emergency Placement and Placement Change Process**

2INgage Permanency Case Managers will request a non-emergency paid foster care placement or placement change from their placement team for a child with Intellectual or Developmental Disabilities (IDD) or Primary Medical Needs when needed.

As a part of the placement request process, the 2INgage Permanency Case Manager will:

- Within 24 hours of the placement referral, coordinate a telephone staffing with the 2INgage Permanency Supervisor and Director of Permanency, regional CPS Subject Matter Experts (Nurse, Developmental Disability Specialist, Well-Being Specialist), and 2INgage Intake Placement Specialist and Director of Permanency to discuss:
  - The specific needs of the child or youth.
  - Available times for a pre-placement staffing.

• After a placement has been recommended by 2INgage and approved by 2INgage Permanency Case Manager, work with the 2INgage Intake Placement Specialist to coordinate a telephone staffing with the chosen caregivers, their provider, medical staff (if applicable), 2INgage Permanency Supervisor and Director of Permanency, regional CPS Subject Matter Experts (Nurse, Developmental Disability Specialist, Well-Being Specialist), and STAR Health staff, to:
  o discuss the specific needs of the child or youth.
  o discuss the expectations of placement.
  o develop a plan to move the child or youth and establish services in the new placement.
The DFPS Education Specialist should be included in the staffing as appropriate.

**Placing Children in Certain Institutions**

2INgage will work with the regional Developmental Disability Specialist and DFPS Placement team in State Office when considering and requesting placement of a child or youth in one of the following settings (non-DFPS placement):

• HHSC-Licensed Institutions for children with intellectual or developmental disabilities.
• State Supported Living Centers.
• Home and Community-Based Services (HCS) Residential Placements.
• Nursing Facilities or
• Intermediate Care Facilities for Individuals with Intellectual Disabilities/Related Conditions (ICF/IID-RC).

Placing a child or youth in one of the listed types of institutions should only take place when no other less restrictive placement is available that can meet the child or youth’s needs.

Placement in one of the listed types of institutions requires careful consideration, assessment, and justification. 2INgage Intake Specialist will coordinate with the regional Developmental Disability Specialist to carefully assess the child or youth’s specific needs and exhaust all least restrictive placement options before recommending a child or youth’s placement in a certain institution.

Depending on the type of institutional placement requested for the child or youth, 2INgage will need to follow current CPS processes outlined in The Foster and Licensed Facility Placements Process Resource Guide. Also see CPS Policy 4118 Additional Actions for Placing Children with Intellectual or Developmental Disabilities.
Foster Care Assistance

Foster Care Assistance consists of daily care (such as food, clothes and shelter) and medical coverage provided through Title IV-E or medical assistance only (MAO) foster care.

DFPS Rules, 40 TAC §700.315

Applying for Foster Care Assistance

INV/FBSS worker is responsible for completing the initial Foster Care Assistance Application in IMPACT and submitting it to the foster care eligibility specialist. This includes sending the required documentation.

Determining Eligibility

The DFPS Foster Care Eligibility Specialist has the following roles in determining eligibility:

- Obtain birth verification.
- Verifies the child’s Social Security number.
- Searches other systems to obtain the child and family income and resource information.
- Processes the Foster Care Assistance Application and records in IMPACT.
- Maintains the eligibility file.
- Please see CPS Policy 1512 Determining Eligibility for additional information.

Annual Review of Eligibility

DFPS must review the child’s eligibility for IV-E or Medicaid at least once every 12 months while the child is in foster care. The 2INgage Permanency Case Manager will receive an IMPACT Task To-Do when a foster care review is due for the child. To complete the review, the 2INgage Permanency Case Manager must:

- Complete the Foster Care Review in IMPACT and submit it to the assigned foster care eligibility specialist.
- Send the eligibility specialist copies of all child-specific court orders since the previous review or initial determination.
- Send the eligibility specialist documentation of the child’s citizenship or alien status, if new documentation has been obtained since the previous foster care review or initial eligibility determination.

If the annual eligibility review is not completed in response to the IMPACT “To Do” the regional eligibility specialist will receive a monthly data warehouse report and send a notice to the primary worker and supervisor listing the children who have an annual review that is due. If there continues to be no response, the regional eligibility specialist will then send the report of pending reviews to the Director of Permanency.

See CPS policy 1514 Annual Review of Eligibility.
Obtaining Certified Birth Certificates and Screen-Printing Birth Records

A 2INgage Permanency Case Manager always attempts to obtain a birth certificate from the child’s parents, relatives, or guardian instead of requesting a copy of the birth certificate through the Birth Verification System (BVS) system. If a 2INgage Permanency Case Manager obtains a copy of the birth certificate, he or she submits it to the eligibility specialist to serve as documentation of a child’s birth and citizenship or alien status when submitting the documentation for the Foster Care Assistance Application.

Please refer to CPS Policy 1520 Obtaining Certified Birth Certificates and Screen Printing Birth Records to learn more regarding which type of birth verification is required for specific case management circumstances and the documentation required to support the request.

The Foster Care Eligibility Specialist is the subject matter expert that can assist in getting birth certificates. Please refer to CPS Policy 1521 Requesting Certified Birth Certificates. DFPS POC for Region 2 birth certificates Cheryl Hutchinson and Kristen Baldwin

Beginning in June 2019, the request for birth certificates for youth who turn age 15 are handled at CPS State Office. The certified copy (or original) birth certificate, photocopy of the birth certificate, and a cover memo with instructions will be mailed to the 2INgage Point of Contact. The 2INgage Permanency Case Manager will deliver the birth certificate to the youth in person and have them sign Form 2527 Personal Documents Checklist - 15 or Form 2528 – Personal Documents Checklist - 18. In addition, the worker will check the new indicator box on the Child’s Plan of Service in IMPACT.

Any birth certificate requests that do not meet CPS Policy 1520 Obtaining Certified Birth Certificates and Screen Printing Birth Records guidance prior to the child turning 15 will require 2INgage completing the request for the certificate and providing any funds needed.

The 2INgage Point of Contact for birth certificate related issues is: Stacy Lee, Permanency Support Director.
Initial Coordination Meeting

The Initial Coordination Meeting (ICM) is an internal, collaborative process between INV/FBSS and 2INgage that focuses on the unique, individualized needs of the child and outlines services to address those needs. The ICM process seeks to share all relevant information about a child in DFPS conservatorship who require placement or case management services from 2INgage. This includes children placed in both kinship and paid placement. Relevant information includes assessments, evaluations, medical reports, recommended services, and all other information that pertains to the child’s individual needs.

The ICM takes the place of the traditional removal staffing.

Timeframes

Within 24-48 hours of removal, INV/FBSS will host, coordinate and participate in the Initial Coordination Meeting (ICM).

The ICM may be extended up to 3 days if an emergency placement occurs on a holiday or weekend day (Friday, Saturday, or Sunday) or inclement weather prevents the ICM from occurring as scheduled. All other extensions to an ICM must be approved by the INV Program Director.

Coordination

The INV/FBSS worker will schedule a staffing with their supervisor and 2INgage Permanency Case Manager and their supervisor.

Participants

At a minimum, the following participants will be notified of the upcoming ICM:

- 2INgage Intake Placement Specialist
- Removal worker and supervisor
- 2INgage Permanency Case Manager and Permanency Supervisor
- Other CPS staff or subject matter experts as needed (e.g. Developmental Disabilities Specialist, Nurse, Education Specialist, Well Being Specialist)

Additional staff may be included in the notification email but may not need to participate in the ICM.

During the ICM:

- INV/FBSS staff will share details about the reason for removal and pertinent information 2INgage will need related to ongoing services.
- INV/FBSS and 2INgage will exchange copies (with each other) of all external documentation gathered thus far related to the child’s needs, including but not limited to removal affidavit, diligent search results for relatives and/or parents, immunization records, birth records, birth certificates, social security cards, medical/dental reports or records, school records, progress notes, assessments, evaluations, and so on.
**Documentation**

After the ICM, the INV/FBSS worker (or designee) will:

- Record the ICM as a contact in the FSU stage, Contact Detail page in IMPACT.
- Ensure the notes from the meeting are recorded in the Contact Detail Narrative.

**Case Transfer**

- INV/FBSS is responsible for ensuring the case’s final disposition(s) is communicated to the 2INgage Permanency Case Manager.
- See case transfer process under [Case Documentation](#) section for physical transfer of cases and electronic assignment.

- The child exhibits sexually aggressive behavior.
- A DFPS staff member, another professional, a parent or caregiver, or another person with knowledge of the situation has identified the child as having sexual behavior problems.

- As soon as the INV/FBSS worker is made aware of possible sexual aggression they will alert their chain of command and the removal Program Director will email 2INgage Vice President of Permanency to set up a child sexual aggression staffing.
- 2INgage Vice President of Permanency will schedule the staffing within 48 hours of notification.
  Participants include:
  - INV/FBSS removal Worker (required)

Developmental Disabilities Specialist (DDS)

The Developmental Disability Specialists (DDS) are regional subject matter experts and liaisons when an infant, child or youth is suspected or diagnosed with an intellectual and/or developmental disability.

When to contact the DDS?

Whenever there is an infant, child, or youth that comes into care, at any stage, who is diagnosed with IDD or you suspect an IDD is present.

If you are unsure if an infant, child, or youth has IDD and you would like a consultation.

Why contact the DDS?

There is a number of reasons why DFPS and/or SSCC staff might want to contact their Developmental Disability Specialist. Not only are they experts in the field of IDD, but they also maintain regional and statewide resource networks and contacts specific to infants, children, and youth with IDD.

DDS can:

- Provide training and support to staff about working with infants, children and youth with IDD.
- Serve as liaisons between DFPS and Health and Human Services for community-based services through the youth’s Local Intellectual and Developmental Disability Authority (LIDDA). This includes:
  - Making referrals to the Medicaid waiver interest list for long-term services and supports.
  - Making referrals to HHSC Office of Guardianship, if appropriate.
  - Making referrals for Home and Community Services (HCS) for youth and facilitating referrals for Determination of Intellectual Disabilities (DIDs).
  - Referring to and participating in Community Resource Coordination Groups (CRCG’s).
- Address the unique challenges of young adults transitioning out of care into the community and help address resources needed for future support.
- Serve as consultants to DFPS/2INgage staff regarding cases and participate in transition planning meetings, case reviews, circles of support, and permanency conferences.
- Assist in locating and facilitating the placement process for youth needing specialized placements. These specialized placements can include:
  - Intermediate Care Facilities (ICF-IDD)
  - State Supported Living Centers (SSLC)
  - Nursing Facilities
  - Home and Community Based Services (HCS)
  - General Residential Operations (GRO)
    - Mission Road Developmental Center
Education Specialists
DFPS Regional Education Specialists serve as advocates, liaisons, and expert educational resources between local school districts and DFPS staff in providing the best educational outcomes for children in DFPS conservatorship.

DFPS Regional Education Specialists can also be a resource as needed to assist 2INgage with access to, or communication with, Region 2 catchment area school districts and campuses.

For additional information see:
- Education for Children Resource Guide
- CPS Policy 15000 Education for Children
- Safety Net Education page

Faith Based Specialists
The faith community has a long history of helping those in need. DFPS wants to partner with all faith communities in Texas to help children in foster care, their parents and kinship families.

The Texas Faith-Based Model is a joint effort between DFPS and faith-based communities of all denominations and religious affiliations. The goals are to:

- Change the way DFPS collaborates with the faith community to promote positive outcomes for children and families.
- Enhance the well-being of children by shortening their stay in the foster care system.
- Decrease the time for children to achieve permanency.
- Improve community relations.

As part of the Texas Faith-Based Model, DFPS provides information to local congregations about the needs of children and families in their area. The local congregation then decides what type of ministry to develop. DFPS assists with information, attending meetings, and answering questions about the children and families needing help.

For more information see Texas Faith-Based Model.

Fatherhood Initiative
The goal of the Texas Fatherhood Initiative is to build greater capacity within DFPS to serve fathers by shedding light on effective models of service that engage fathers - even if those fathers do not currently live in the homes of their children or are not actively involved in their children's lives.

For more information see Fathers Matter: The Responsible Fathering Initiative

The DFPS Fatherhood Specialist compiles a report of the children’s cases that do not list a father and will provide that report to 2INgage.
**Immigration Specialist**

Immigration Specialists serve as subject matter experts. The Immigration Specialists identify and track children with immigration needs who are in DFPS care.

See DFPS Safety Net: [Immigration Specialist](#) for more information.

**Nurse Consultant**

Nurse Consultants consult with and educate DFPS and/or SSCC staff about health care issues related to children on their caseloads. They are licensed registered nurses but do not function in a clinical direct patient care role for the agency. Their primary duties include: providing one on one consultation to caseworkers, reviewing medical records and interpreting medical information, and facilitating referrals to the Forensic Assessment Center Network (FACN).

**Advocacy for Children's Healthcare Needs**

The DFPS Nurse Consultant may advocate for DFPS and/or SSCC staff and children receiving DFPS services by discussing the medical needs of children with medical and special needs in all open cases and making recommendations. The DFPS Nurse Consultant accomplishes this by:

- Participating in staffings.
- Engaging in discussions with the children's direct medical providers.
- Attending meetings, such as Family Team Meetings (FTM), Family Group Conferences (FGC), regional removal staffings, case staffings involving children with medical needs, hospital staffings, child death reviews, etc.

**How to Request Assistance from Your DFPS Nurse Consultant**

The 2INgage Permanency Case Manager may request assistance from the DFPS Nurse Consultant in person, or by phone, email, or using a referral form. Regional staff should consult with the DFPS Nurse Consultant covering their region regarding the best way to make a referral. The current list of DFPS nurse consultants may be found at: [http://intranet/CPS/Regional/nurse.asp](http://intranet/CPS/Regional/nurse.asp)

For additional information see [Medical Services Resource Guide](#).

**Psychiatric Hospital Workers**

Psychiatric Hospital Workers serve as advocates, liaisons, and expert coordinators between local psychiatric care centers and DFPS/2INgage staff in providing the best acute psychiatric treatment outcomes for children in DFPS conservatorship.

These staff are solely dedicated to ensuring continuity of care and services for a youth experiencing an acute psychiatric hospital stay, with the aim of reducing the length of the hospital stays and positively impacting the permanency and well-being outcomes for every child. To achieve this mission, Psychiatric Hospital caseworkers visit and work with every child and youth through every single stay at an acute psychiatric hospital.
Statewide Parent Collaboration Group and Local Parent Support Group

Statewide Parent Collaboration Group (PCG)
The statewide Parent Collaboration Group (PCG) is a partnership between the Texas Department of Family and Protective Services (DFPS) and parents who have been recipients of DFPS services. The PCG is a venue for gathering and incorporating parental feedback to enhance DFPS policy and practice. 2INgage will identify a representative to participate in this group to represent their catchment. 2INgage will also aid in recruiting parents to be a part of this group as needed.

The PCG provides:

- Information to staff regarding what parents experience as recipients of DFPS services.
- Recommendations for improvement.

Local Parent Support Group
The local Parent Support Groups (PSGs) are informational support groups for parents receiving family-based safety services (FBSS) or conservatorship (CVS) services. These groups are led by a parent who has successfully navigated the DFPS system, INV/FBSS, and 2INgage Director of Community Engagement.

Local PSG meetings are held at least once a month in communities around the state, and provide:

- Information about the DFPS system
- Hope and support
- Engagement and encouragement, including the personal story of the parent leading the group
- A short question and answer session
- Information about various community services

Referrals to Parent Support Groups
It is the 2INgage Permanency Case Manager’s responsibility to ensure that parents being served by DFPS/2INgage are aware of the local PSGs in their area. Regional fliers and information are available from regional DFPS liaisons.

For additional information please refer to CPS Policy 1143 Statewide Parent Collaboration Group and Local Parent Support Group and Parent Collaboration Group Safety Net page.

SSI Coordinators
SSI Coordinators are responsible for applying for SSI Benefits for children in foster care who may have a disability. SSI Coordinators also serve as a point of contact with the Social Security Administration regarding children in DFPS conservatorship who are on SSI or RSDI.

See SSI Coordinators Safety Net Page
State Office Divisions Collaboration

Divisions within CPS State Office will add representatives from 2INgage to existing workgroups and communications. Example, 2INgage Senior Permanency Director will be invited to participate in Conservatorship Program Administrator calls and meetings. 2INgage will also be added to communication d-lists as needed to ensure they are receiving information related to service families and children.

Additionally, program specialists and subject matter experts from CPS divisions in State Office will be available to provide support and technical assistance to 2INgage just as they provide support and technical assistance to regional conservatorship programs.

Substance Use Specialist

Substance abuse specialists support DFPS practice in working with children and families, with substance use disorders throughout each stage of service. They are subject matter experts who assist staff in providing technical assistance relating to protocol, policy, and practice regarding substance use, abuse and treatment.

See Substance Use Specialist Safety Net Page.

Volunteer and Community Engagement

The Office of Volunteer and Community Engagement (OVCE) is a unit within DFPS under External Relations whose purpose is to ensure that the community is involved and contributes to DFPS work through donations, volunteer work, or partnerships.

Through Community engagement, DFPS staff build positive, ongoing, permanent relationships with stakeholders and community partners that support the DFPS mission and goals and, ultimately, improve outcomes for our children and families.

For contacts, see Volunteer and Community Engagement Coordinators.

Access to Resource Rooms

Resource Rooms (RRs) are stocked with donated items 2INgage Permanency Case Managers can access to meet the needs of children and families served by DFPS. Independent volunteer groups generously coordinate the many aspects of the rooms. 2INgage will have access to these rooms during regular DFPS business hours. DFPS staff who assist with managing access to the rooms will assist 2INgage with access as needed.

Daycare Services

Foster Child Daycare

When foster daycare services are needed for a child, who is legally from Region 2 and placed within 2INgage’s provider network, 2INgage staff will:

- Will collect employment verification and send it to the Regional DayIntake Placement Specialist. Acceptable verification includes: Copies of the caregivers last 3 paystubs
- Statement from the employer attesting to being employed full-time or working 40 hours a week
- In the case of self-employment, a completed Form 1806 Caregiver Statement of Self-Employment Income for the past three months
- Provide the Foster/Relative & Other Designated Caregiver Daycare Verification (Form 1809) to each foster parent household each time application for initial daycare services are requested. Note: Foster parent e-signatures are acceptable (completed/signed/scanned copy of the 1809 or on-line completion of the 1809 with foster parent approval in return email).
- Complete a daycare request in IMPACT for each child needing daycare. If the children are in the same placement, they will be included in one request and the request is completed in the youngest child’s SUB stage.
- Send an email to the DISTRICT1DC@dfps.state.tx.us mailbox:
  - Subject line: Region, County, Caregiver’s Name, Child’s Name, Case ID, daycare request date, #1 of __ (number of children related to this referral),
  - The body of the email must include the following:
    - 2INgage Permanency Supervisor’s approval. The request cannot be processed if supervisor approval is not included in the email.
    - A statement that employment verification has been provided and verified
    - number of hours each caregiver works
  - Attach the following:
    - Pre-qualification letter from CCS,
    - Completed Daycare Request in IMPACT,
    - Completed Foster/Relative & Other Designated Caregiver Daycare Verification (Form 1809) unless an exception is met as described below:

Exception:

For the initial daycare authorization, the requirement for the foster parent to complete the form may be waived if it is determined the verification would prevent an emergency placement in the child’s best interest. Such an emergency placement would be one where the placement cannot be sustained or is unlikely to be sustained if the person requesting daycare were required to verify the unavailability of community resources. The waiver of the requirement must be approved by 2INgage Program Director and should only be utilized where the foster parent has exercised reasonable diligence but has been unable to verify community resource unavailability. If such a waiver is approved, the foster parent will be required to verify the unavailability of community resources at the time of the first daycare renewal.
The 2INgage DayIntake Placement Specialist will complete the Daycare Request in IMPACT. After receiving the daycare request email and the daycare request in IMPACT the CPS Regional DayIntake Placement Specialist will:

- Create the service authorization in IMPACT and send to CCMS.
- Upon receipt of the approved daycare request in IMPACT, the Regional DayIntake Placement Specialist will process the daycare request. See 8235.4 Foster Child Daycare.

**Kinship Child Daycare**

2INgage may request Kinship Child Daycare for a child in DFPS conservatorship who is placed with kinship caregivers if:

- DFPS has an approved kinship home assessment on file for caregivers who are not verified or licensed foster care providers.
- The caregivers have signed Form 0695 Kinship Caregiver Agreement.
- The caregivers are employed either inside or outside the home, work at least 40 hours per week and provide employment verification.

Please see CPS Policy 8235.5 Kinship Child Daycare for additional eligibility criteria.

**To request kinship daycare 2INgage will provide to the DFPS Regional DayIntake Placement Specialist:**

- **Foster/Relative & Other Designated Caregiver Daycare Verification (Form 1809)** to each kinship caregiver household each time application for daycare services are requested. Note this form is required for both initial requests and renewals. **Note:** Kinship caregiver e-signatures are acceptable (completed/signed/scanned copy of the 1809 or on-line completion of the 1809 with kinship caregiver approval in return email).
- 2INgage will need to verify caregiver employment. Acceptable verification includes:
  - copies of the caregivers last 3 paystubs.
  - statement from the employer attesting to being employed full-time for 40 hours a week.
  - in the case of self-employment, a completed Form 1806 Caregiver Statement of Self-Employment Income for the past 3 months.
- Send an email to the DISTRICT1DC@dfps.state.tx.us mailbox with: Subject line: Region, Caregiver's Name, Child's Name, Case ID, CPS/SSCC Unit #
  - If only 1 child’s name is entered in the subject line, but there are multiple children that requests were completed for, all their names must be provided in the body of the email.
  - The body of the email must have the 2INgage Permanency Supervisor’s approval in the body of the email. If we do not have supervisor approval in the body of the email, we cannot process the IMPACT daycare requests.
    - A statement regarding the verification that has been provided for the employment verification and the number of hours each caregiver works (note employment verification must also be provided for renewals).
  - Attach the following:
• Completed Foster/Relative & Other Designated Caregiver Daycare Verification (Form 1809) unless an exception is met as described below:

• 2INgage will complete the Daycare Request in IMPACT.

**Exception:**

For the initial daycare authorization, the requirement for the caregiver to complete the form may be waived if it is determined the verification would prevent an emergency placement in the child’s best interest. Such an emergency placement would be one where the placement cannot be sustained or is unlikely to be sustained if the person requesting daycare were required to verify the unavailability of community resources. The waiver of the requirement must be approved by the 2INgage Director of Permanency and should only be utilized where the foster parent has exercised reasonable diligence but has been unable to verify community resources unavailability. If such a waiver is approved, the foster parent will be required to verify the unavailability of community resources at the time of the first daycare renewal.

After receiving the daycare request email and the daycare request in IMPACT the CPS Regional DayIntake Placement Specialist will:

• Create the service authorization in IMPACT and send to CCMS.
• Upon receipt of the approved daycare request in IMPACT, the Regional DayIntake Placement Specialist will process the daycare request. See 8235.4 Foster Child Daycare

**Waiving the Eligibility Criteria for Good Cause**

The associate commissioner for DFPS has the authority to waive the eligibility provisions for good cause. The 2INgage Director of Permanency or designee may request a waiver for good cause on a case-by-case basis if there is a critical need or a safety concern. Waiver requests should be submitted to DISTRICT1DC@dfps.state.tx.us.

In any Kinship placement, child safety is the paramount concern. When caregivers do not meet eligibility requirements, staff should seek a waiver if there are any concerns for child safety in the kinship placement.
Case Documentation

Documentation and Communication

When a child is placed in substitute care, 2INgage staff must document in IMPACT the:

- Contacts, assessments, and services provided to the child and the child’s family.
- Key decisions made, and actions taken during care that affect the child and the child’s family.

2INgage will be recording contacts in IMPACT in the contact detail page and will follow guidelines seven days to complete documentation.

Maintaining Current Photograph of a Child

Upon assignment, the 2INgage Permanency Case Manager must review the case record. If there has been no clearly visible photograph of the child’s face taken within the last 60 days and uploaded into IMPACT, the 2INgage Permanency Case Manager must ensure one is taken and uploaded into IMPACT by the 60th day following the child’s removal. Thereafter, the 2INgage Permanency Case Manager must ensure there is at least one updated photograph for every child in DFPS legal custody taken every six months and uploaded into IMPACT.

Photographs may be taken by the 2INgage Permanency Case Manager or other individual, but must fit the criteria outlined below:

- The date the photo was taken must be known and should be from within the past six months.
- The photo must be an individual photo of the child in whose stage it is being uploaded.
- The child’s face must be clearly visible and not at a distance.

See CPS Policy 6133.73 Maintaining Current Photo of Child

External Documentation

Primary Case Assignment

Between the Child and Family Referral and the 14th day, 2INgage Permanency Case Manager and the removal worker must cooperate in completing and filing all required legal forms and documents, attending court hearings, and ensuring that all required visits take place. If the adversary hearing is delayed, a staffing may be requested by either 2INgage or INV/FBSS at 14 days to discuss outstanding removal checklist tasks and responsibilities. The removal worker can request that the 2INgage Permanency Case Manager make them secondary on the FSU and SUB stages if needed.

External Case File Transfer

The removal worker will provide the external CPS file to the 2INgage Permanency Case Manager no later than the 14th day after removal.
**External Case Documentation**

The following documents must be included in the paper case record. This list is not all-inclusive. Region 2 may have additional requirements for documents that must be included in the case file. - Birth/citizenship records
- Health records, including a copy of any recent medical exams
- School records
- A copy of the signed foster care assistance application

See CPS Handbook policy: [6134 External Documentation](#)
Ensuring Safety

Investigation on an Open Case

If there is a new investigation on open case, the investigator will notify the CPI Risk Manager for a staffing. The CPI Risk Manager will notify:

- 2INgage Permanency Case Manager
- 2INgage Permanency Supervisor
- 2INgage Permanency Director
- Investigation Worker
- Investigation Supervisor
- Investigation Program Director

A new investigation on an open case includes kinship families, family reunification, as well as new babies in open CVS cases.

When a Mother in an Open CVS Case is Pregnant

See CPS Policy 6370 When a Mother in an Open CVS Case is Pregnant

The 2INgage Permanency Case Manager will coordinate a staffing during the 7th month of the pregnancy to discuss any safety concerns. Participants will include:

- 2INgage Permanency Case Manager
- 2INgage Permanency Supervisor
- 2INgage Permanency Director
- INV/FBSS Removal Supervisor (supervisor during the removal of the other children that are in CVS)
- INV/FBSS Removal Program Director

The 2INgage Permanency Case Manager will document the following information prior to the staffing for discussion:

- Case Name
- Date of Staffing
- Participants
- Due Date or Date of Birth
- Age(s) of Other Children
- Father and his role with unborn child/concerns/positives

Additional decisions or directives will be discussed and added during the staffing. Notes from this staffing will be documented in a contact narrative.

**When Children Not in DFPS Conservatorship Are in Immediate Danger**

2INgage staff can take immediate action to have a child removed from a dangerous situation when the child is in DFPS Conservatorship due to the authority provided in the TFC authorizing Community-Based Care. See [Legal Basis for Single Source Continuum Contractor to Act on Behalf of CPS](#).

There will be situations when 2INgage is working with a family where some of the children in the family are not in DFPS conservatorship. Should the 2INgage Permanency Case Manager feel the child(ren) are in immediate danger, the following actions can be taken depending on the severity of situation:

- Staff with 2INgage Supervisor for direction
- If at risk of immediate physical harm call 911
- Stay on site and call the local CPS office for assistance from the on duty INV worker
- If it is after hours, refer to the On-Call calendar for INV located in IMPACT.
- Call in a report to Statewide Intake (SWI) and inform that immediate response is needed if have not reached INV/on call
- Submit an intake to SWI for all new safety concerns

### Parental Child Safety Placements in CVS Cases

A Parental Child Safety Placement (PCSP) is a temporary out-of-home placement a parent can make when INV/FBSS determines that the child is not safe remaining in his or her own home.

For PCSPs where there are no children in the family for which DFPS obtains conservatorship, a referral to 2INgage is not needed.

If a PCSP is considered during a DFPS case to an open CVS case, both the INV/FBSS Program Director and the 2INgage Director of Permanency must approve the PCSP before it is implemented. 2INgage Permanency Case Manager will update the existing family referral in IMPACT.

Although DFPS does not have conservatorship of the child in the PCSP, that child is a member of the family unit. As such, the child must be seen face-to-face each month, and must be included in the parent’s family plan of service, just like a child who remains in the home with the parent.

For PCSP’s where at least one child in the family enters conservatorship and 2INgage will be providing services to the family, they will also provide services to the child(ren) in the PCSP and the caregiver (as needed) as a part of the family referral.

CPS policy outlined in continues to be applicable including Policy [3214 Required Contacts](#).

When a Child or Youth is Missing from DFPS Conservatorship

If a child in DFPS’s managing conservatorship runs away, is discovered to be missing, or is suspected to have been abducted from a substitute care placement, and the child’s whereabouts are unknown, the 2INgage Permanency Case Manager must notify the:

- 2INgage Permanency Supervisor
- Appropriate law enforcement officials in the jurisdiction where the child went missing
- National Center for Missing and Exploited Children (NCMEC) at the web portal for child welfare reports or the 24-hour call center: 1-800-THE LOST (1-800-843-5678)
- 2INgage Vice President of Permanency and the Special Investigation Department via dfpsregion02sirequest@dfps.state.tx.us, after the 2INgage Permanency Case Manager files a missing person or runaway report with NCMEC and with the law enforcement agency (LE) with jurisdiction for the location from which the child went missing
- 2INgage staff will input any needed information into IMPACT to generate a runaway/missing child event.
- All other persons described in 6151.3 Notification Requirements and Schedule

The 2INgage Permanency Case Manager must provide these notifications immediately and no later than 8 hours after learning the child is missing.

If a child in DFPS’s managing conservatorship returns to substitute care after being reported to law enforcement as a runaway or missing person, the child’s Permanency Case Manager must provide notice as described in 6151.3 Notification Requirements and Schedule.

The 2INgage Permanency Case Manager and/or the DFPS Special Investigator (SI), whoever made first contact with the child, must interview the child to do the following:

- Determine the reasons the child ran away or was absent from care.
- Get information about the child’s experiences while absent from care.
- Screen to determine whether the child was a victim of abuse or neglect, or a victim of sex or labor trafficking, while absent from care.

If the interview identifies the child as a victim of trafficking, the 2INgage Permanency Case Manager must immediately report the situation to local law enforcement and the SI mailbox.

If the child is identified as a victim of familial trafficking, the 2INgage Permanency Case Manager must also notify Statewide Intake to make a report.

If the reasons the child ran away or was absent from care are revealed during the interview, the caseworker must, to the extent possible, address those factors in the child’s current and future placements.

2INgage’s Vice President of Permanency serves as the 2INgage point of contact for missing children. The point of contact:

- Oversees and coordinates missing children issues for the region.
• Helps to ensure assignment of the Special Investigator.
• Maintains an excel tracking spreadsheet listing children and youth from the catchment who are missing.
• Liaisons with DFPS State Office staff on tracking, data reconciliation, policies and protocols, and other needs.

DFPS Protocol for Care Coordination

On February 11, 2020, the DFPS Protocol for Care Coordination (CCT) was launched. The DFPS Protocol for Care Coordination outlines the agency’s expected and coordinated response when working with a specific Texas Care Coordination Teams. All staff are required to comply with the Protocol for Care Coordination when a child is placed in a county with an active Care Coordination Team.

The Protocol for Care Coordination addresses how DFPS collaborates with other anti-trafficking partners in identification and recovery of victims and subsequent service provision using the following:

• Care Coordination Teams

• Advocate Agencies for Human Trafficking and Commercially Sexually Exploited Youth

The DFPS Protocol for Care Coordination excludes: Bexar, Dallas, Harris, Travis and Tarrant counties who are operating under the DFPS Human Trafficking Response Protocol.

See Human Trafficking Safety Net for resources available to children who are placed in other regions and/or counties.
Responsibility for Contact And Services Across Regional Lines

When a child or youth resides outside of the region that has legal jurisdiction, DFPS/2INgage can request to maintain contact, provide services, and monitor the child’s or youth’s safety:

- Courtesy supervision
- Courtesy contact with incarcerated parent
- Local Permanency Supervision
- Kinship services including home assessments and addendums
- Kinship Adoption Studies
- Adoption Preparation Services
- Adoption Supervision service

**Courtesy Supervision**

When a DFPS/2INgage unit provides courtesy supervision, the unit providing the supervision must:

- maintain the required contacts with the parent and child; and
- follow the procedures in 6411 Contact With the Child and its subitems.

CPS units outside Region 2 area may make request for supervision assistance from 2INgage and likewise, 2INgage may make request for supervision assistance from CPS units outside of the Region 2 area.

DFPS/2INgage can request courtesy supervision when a child or youth in conservatorship is placed outside of the region that has legal jurisdiction and is residing with a parent. See 6314 Services to Children and Parents Across Regional Lines.

See CPS Handbook policies:

6314.1 Coordination Between Primary Caseworker and Courtesy Supervision Caseworker

6314.11 Courtesy Caseworker Responsibilities

6314.12 Primary Caseworker Responsibilities

6320 Conducting Visits with the Family

**Local Permanency Supervision**

Local Permanency Case Manager are secondary caseworkers for children and youth placed outside the region that has legal jurisdiction but are not placed with a parent. The Local Permanency Case Manager acts as an extension of the primary caseworker and aids the primary caseworker in ensuring that the child or youth’s needs for safety and well-being are being met. The Local Permanency Case Manager also works to ensure that the child or youth achieves permanency.

See CPS Handbook policy:

6414 Local Permanency Supervision
Kinship Home Assessment Requests

Before CPS can place a child with a kinship caregiver, or recommend to the court that the child be placed, the child’s caseworker or a contracted provider must assess the caregiver’s suitability by completing:

- A written assessment of a kinship caregiver’s home, using Form 6588 Kinship Caregiver Home Assessment Template.
- A risk assessment, using Form 2049 Risk Assessment.

Either 2INgage staff or a contractor may complete the written home assessment and risk assessment.

If an 2INgage contractor is used to complete the assessment, 2INgage will request the service from the contractor and provide the Universal Referral Information. The requesting region will submit a Service Authorization (2054) to 2INgage for the services rendered using the legacy home assessment service code (not SSCC home assessment service code).

Please see 6623 Completing a Risk Assessment, and a Written Home Assessment of the Kinship Caregiver for additional information regarding Kinship Home Assessments.

Requesting the Above Services from 2INgage

Request for Kinship, Conservatorship and Adoption Services (aka Universal Referral Form) Form 2077 is used to request Kinship, Conservatorship and Adoption services. The 2INgage mailbox identified to request all case assignments is CMD@2ingage.org. 2INgage will assign the case within 2 business days and notify the caseworker from the sending region of the caseworker assigned.

Please see the Request for Kinship, Conservatorship and Adoption Services (aka Universal Referral Form) instructions for additional information.

2INgage Requesting the Above Services from Another SSCC Catchment or DFPS Region

2INgage will also use the Request for Kinship, Conservatorship and Adoption Services (aka Universal Referral Form) Form 2077 to request services from other catchments or DFPS Regions. Please follow the instructions on the Form 2077 Instructions for additional information regarding completing and submitting the form to the region services are requested from.

Payments for requests for Kinship Home Assessments by other regions will use the SSCC home assessment service code on the 2054.

Payment for Purchased Client Services

Primary and secondary case management staff must work closely together to ensure the coordination and payment of purchased client services to family members and caregivers across regional lines.
If 2INgage requests purchased client services for a parent or caregiver who resides in another DFPS Region, the 2INgage Permanency Case Manager will manage the payment for services through 2INgage’s billing system.

If another DFPS Region requests purchased client services for a parent or caregiver who resides in Region 2, the primary CPS case worker will issue payment for services by submitting a Service Authorization (Form 2054) in IMPACT with the legacy provider’s service code.

Payments for requests for Kinship Home Assessments by other regions will use the SSCC home assessment service code on the 2054.
Legal Services

2INgage will assume responsibility of court-related duties regarding the child, including but not limited to:

- Providing required notifications or consultations.
- Preparing court reports.
- Attending judicial and permanency hearings, trials, and mediations.
- Complying with applicable court orders.
- Ensuring the child is progressing toward the goal of permanency within state and federally mandated guidelines. Please refer to CPS Policy 5000 regarding Legal Services.

Paying for Court-Related Services

Resources to cover legal expenses varies by individual county in the Region 2 area. Examples of legal services which may incur a fee from the service provider include, but are not limited to:

- Mediation
- Out of State service
- Private Process service
- DNA testing
- Court Reporter
- Court transcripts
- Witness travel
- Expert witness testimony
- Citation by Publication postings

For any legal services that are required by the court and not covered through Purchased Client Services funding, STAR Health, or county funds, 2INgage will decide, in coordination with the Contract Administration Manager (CAM), on how the services will be paid.

If the decision is that DFPS will pay the provider, 2INgage will submit the following items as soon as possible to the CAM:

- Detailed description of the specific legal service that includes the court information, cause number, and case ID.
- Copy of the invoice or bill from the person or entity providing the service.

The DFPS CAM will create a requisition for payment through CAPPS Financial.
**Court Orders for Healthcare Related Treatment and Services**

When a court orders a healthcare service, treatment or testing for a child in DFPS conservatorship, or enters an order that declines to follow the recommendation of a health care professional who has been consulted regarding a health care service, procedure, or treatment for a child in DFPS conservatorship, 2INgage Permanency Case Manager will take the following steps immediately:

1. Notify the 2INgage Permanency Supervisor about the order. The 2INgage Permanency Case Manager and supervisor will notify the attorney representing DFPS/2INgage if there is a concern that the order needs to be appealed in any way.

2. Notify the regional [Well-Being Specialist](#) and provide a copy of the written order when it is received.

Completed court orders will be escalated by the Well-Being Specialist to STAR Health. They will be tracked with communication going back and forth between a STAR Health Liaison and the Well-Being Specialist. Note, verbal court orders will not be accepted by STAR Health and court orders must be signed to be considered complete.

**Exceptions: Court-Ordered Medical Services Not Covered by Medicaid or STAR Health**

If the judge orders a child to undergo a specific type of medical service, treatment, or testing that may not be covered by Medicaid, 2INgage will take the following steps:

1. Immediately inform the attorney representing DFPS/2INgage (within 3 days of the court’s rendering of the order) that 2INgage cannot guarantee a doctor will agree to order the specific service, treatment, or test. This allows the attorney to take immediate action in court to inform the judge or pursue legal remedies, such as asking the judge to reconsider the order.

2. If and when the court order is issued, inform the child’s Medical Consenter (if it is someone other than the 2INgage Permanency Case Manager) about the order, and direct him or her to:
   a. Ask the doctor to order the service, treatment, or test at the child’s next visit with a STAR Health general practitioner.
   b. Make sure the doctor knows that DFPS/2INgage has been told that Medicaid does not generally cover the service, treatment, or test.
   c. Encourage the doctor to request prior authorization and confirm medically necessary coverage before ordering the service, treatment, or test.

**Doctor Refuses to Order Medical Services, Treatments, or Tests**

If the doctor refuses to order the service, treatment, or test, 2INgage Permanency Case Manager will immediately get the doctor to provide written documentation of the doctor’s refusal.

2INgage Permanency Case Manager will provide the doctor’s documentation to the attorney representing DFPS/2INgage. Ensure that the documents are filed with the court and provided to the parties in the case.

2INgage Permanency Case Manager will file the documentation in the case record.
**Doctor Orders Medical Services, Treatments, or Tests**

If the doctor orders the service, treatment, or test, 2INgage Permanency Case Manager will notify the supervisor and inform the attorney. At the next court hearing where medical care is discussed, 2INgage Permanency Case Manager will report back to the judge the results and any subsequent medical care the doctor prescribes.

**When Medicaid Does Not Pay**

When Medicaid will not pay for the service, treatment, or test, 2INgage will decide, in coordination with the CAM, how the provider will be paid. If the decision is that DFPS will pay the provider, the SSCC will submit the following items as soon as possible to the CAM:

- Signed copy of court order directing that the child be provided the specific medical service, treatment, or test.
- Proof that Medicaid denied paying the claim (an email from the provider is sufficient).
- Copy of the invoice or bill from the laboratory or provider.

The DFPS CAM will create a requisition for payment through CAPPS Financial.

**When Medicaid Does Pay**

If Medicaid does pay for the service, treatment, or test for a child, no documentation needs to be sent.

Follow this process for all new judicial orders in any region, at any kind of hearing, directing specific medical care that may not be a part of STAR Health coverage.

reasonable efforts to prevent the removal of the child or a finding that DFPS failed to make reasonable efforts to finalize a permanency plan.

- Court orders that may set a precedent for other CPS cases that could be problematic for DFPS to comply with or that conflict with DFPS policy, including but not limited to:
  - Court orders directing a specific service level for a child.

Credit Checks for Youth

Every youth in the conservatorship of DFPS age 14 up to age 18, receives a copy of their consumer credit report annually. In addition to ensuring that a youth's credit is checked, and any discrepancies are found and disputed, the 2INgage Permanency Case Manager is also required to share the credit report with the youth, provide the youth with a copy, and explain the importance of maintaining good credit.

For additional information regarding the process see [Credit Reports for Youth on the DFPS Safety Net](#).

Transitional Living Services

2INgage will work to prepare older youth in DFPS conservatorship who are transitioning from substitute care to adulthood. 2INgage, in general, will be responsible for all the provision of transitional living services for older youth.

For Additional information see:

Transition Plan Development

Beginning when the youth turns age 14, the transition plan is enhanced over time until the youth leaves substitute care or ages out of care. The plan must address the issues that are important for the youth as he or she leaves care and enters the adult world.

See CPS Handbook policy: [6252 Permanency Planning Meetings for Youth 14 and Older](#)

During the 90 days before the youth ages out of care, whether at 18 or a later age in extended foster care, 2INgage must provide the youth with assistance and support in developing a transition plan that:

- Is personalized at the direction of the youth
- Includes specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services
- Includes information about the importance of designating another individual to make health care treatment decisions on behalf of the youth, if the youth becomes unable to participate in such decisions
and the youth does not have, or does not want, a relative who would otherwise be authorized under state law to make such decisions

- provides the youth with the option to execute a health care power of attorney, health care proxy, or other similar document recognized under state law
- Is as detailed as the youth may elect

Requests for assistance in transitional plan development for youth who are placed but not legally from the catchment area should be coordinated with the youths 2INgage Local Permanency Specialist if assigned. If 2INgage Local Permanency Specialist is not providing services to the youth, please follow the process for Requesting Services Across Regional Lines from 2INgage. On the Form 2077 complete request for Local Permanency Services and indicate that the service requested is Transitional Plan Development assistance.

**Preparation for Adult Living (PAL) Life Skills Assessments and Training**

2INgage will ensure the development and delivery of PAL Life Skills Training for youth in DFPS substitute care whose legal case is from Region 2 and who are age 16 or older utilizing the curriculum topics found in CPS Handbook policy 10222 Life Skills Training.

As part of the delivery of PAL training, 2INgage will ensure the arrangement for the Casey Life Skills Assessments and its interpretation to be shared and discussed with the youth and caregiver. 2INgage will ensure that experiential and community-based learning is included in all PAL training and services.

**Coordination Required When Young Adults Are in Extended Foster Care and Return to Foster Care**

2INgage will identify young adults from Region 2 for either Extended Foster Care or Return to Foster Care programs.

**Note:** Youth who desire to return to foster care during their 6- or 12-month trial independence period are in Extended Foster Care. Youth who desire to return to foster care after their Trial Independence period are considered youth in Return to Foster Care.

**Extended Foster Care**

When a young adult from Region 2 is interested in staying in extended foster care, 2INgage will:

- Follow their Case Management Policy when serving young adults in these programs.
- Assist the young adult with completing the Voluntary Extended Foster Care Agreement (Form 2540).
- Provide the completed Voluntary Extended Foster Care Agreement (Form 2540) to the CPS Foster Care Eligibility Specialist.

**Supervised Independent Living**

Supervised independent living (SIL) placement settings are living arrangements offered through the Extended Foster Care program that allow young adults to reside in a less restrictive, non-traditional foster care setting while continuing to receive casework and support services to become independent and self-sufficient.
To be eligible for SIL, young adults must be able to live independently in a setting with minimal to no supervision. Through conversations with the young adult and the initial assessment, the young adult will be placed in the setting which best meets his or her needs. In order to maintain placement in the SIL program, young adults must comply with the Voluntary Extended Foster Care Agreement (form 2540). Young adults can move through the settings offered based on behaviors, enhancement of skills, or overall progress made in the young adult’s current setting. The SIL case managers will maintain documentation of the young adult’s progress in case notes, as well as in the subsequent service planning meetings, which will be filed in the young adult’s case record.

2INgage will continue to follow established protocol regarding SIL placements for Youth Adults being service that are from a legal county within the Region 2 catchment area and those that are from another legal county that desire SIL placement in the Region 2 area.

Please refer to Supervised Independent Living (SIL) Flow Chart for additional guidance. Please note that 2INgage is now responsible for actions previously identified as CVS or PAL responsibilities.

Return to Foster Care
A young adult who was in DFPS conservatorship when turning 18 and leaves foster care may return to Foster Care at any time prior to the month before the young adult’s 21st birthday, provided the young adult meets the requirements in 10420 Qualifying for Extended Foster Care, or at any time prior to the month before the young adult’s 22nd birthday if they are regularly attending high school or in a program leading to a high school diploma or General Education Diploma (GED). Return to Foster Care does not include young adults who are in Trial Independence (see 10510 Trial Independence).

Referrals for a young adult who wants to return for Extended Foster Care may include young adults whose legal case was outside the Region 2 catchment area, but the young adult now lives in the Region 2 catchment area. Young adults residing in Region 2 who not from the Region 2 area that indicate to their PAL Coordinator a desire to Return to Care in Region 2 will be prescreened for their sincerity and eligibility for returning to care and then referred to the 2INgage Independent Living Specialist.

If placement is found:
- 2INgage Permanency Case Manager will:
  - Ensure the young adult with completes the Voluntary Extended Foster Care Agreement (form 2540)
  - Provide completed Voluntary Extended Foster Care Agreement (form 2540) to the CPS Foster Care Eligibility Specialist

2INgage will create, maintain and share an accurate log for auditing purposes of young adults discharged with the regional CBC Administrator.
National Youth in Transition Database (NYTD)

NYTD Outcomes Survey

The NYTD survey is a federal survey that states administer to certain youth and young adults at age 17, 19 and 21. 2INgage Independent Living Specialist must track survey completion, assist youth with taking the survey and enter survey responses in IMPACT according the federal survey reporting requirements.

- The NYTD Information Page in IMPACT alerts 2INgage about youth from their catchment area who have been identified to take the survey, status of the survey, and due date of the survey during each survey period (A or B).
- 2INgage will check the NYTD Information Page in IMPACT to determine which of their assigned youth needs to take the survey.
- 2INgage will take the lead in notifying the identified youth or youth adult their survey is due, obtain survey responses and enter their survey responses in IMPACT.
- CPS State Office will monitor 2INgage’s NYTD survey completion progress and will send out periodic information about the status of 2INgage’s survey completion rate.
- When requested, 2INgage will update CPS State Office on progress and plans to get surveys completed by period data entry due dates.
- 2INgage will maintain current contact information in IMPACT for youth placed within their provider network.

NYTD Data and Information Errors

- 2INgage must check the NYTD Information Page in IMPACT for DATA and INFORMATION errors in IMPACT and make corrections and updates.
- DATA and INFORMATION errors correspond to surveys and services provided during the reporting period.
- When requested, 2INgage will update CPS State Office on progress and plans to get DATA and INFORMATION errors completed by period data entry due dates.
- Details on correcting data and information errors can be found in the NYTD Manual in SMILEY.

NYTD Services

- 2INgage will enter services provided to successfully transition youth to adulthood in the Preparation for Adult Living (PAL) stage in IMPACT.
- Services entered in IMPACT must be either paid for or provided by 2INgage.
- When requested, 2INgage will update CPS State Office on progress and plans to get services entered by period data entry due dates.
- Details on entering services in IMPACT can be found in the NYTD Manual in SMILEY and in the PAL Staff Manual.

See the Transitional Living Services Resource Guide, NYTD Manual in SMILEY and PAL Manual for information on completing the survey, correcting data and information errors and entering services.
PAL Aftercare Services

PAL Aftercare services and programs are available for young adults from Region 2 and the resources for these services will be shared between 2INgage and DFPS. Please see 10200 Preparation for Adult Living (PAL) for additional information regarding these services and their eligibility requirements.

To access, 2INgage Independent Living Specialist will complete a Service Authorization (2054) to the contractor providing the service and the contractor will bill DFPS directly.
**Permanency Care Assistance**

When a Region 2 child/youth’s permanency plan calls for a change to permanent managing conservatorship by a relative or fictive kin (regardless of the relative/fictive kin’s location) with intent to pursue permanency care assistance, 2INgage staff must follow current CPS Handbook policy [6680 Permanency Care](#) Assistance.

When a prospective kinship permanent managing conservator is nearing completion of the required six consecutive months as a verified foster parent, the child’s 2INgage Permanency Case Manager must begin working with the caregiver to apply for assistance.

The 2INgage Permanency Case Manager must follow current [6685 Applying for Permanency Care Assistance](#).

2INgage Permanency Case Manager will, at least 90 days prior to PMC transfer date:

- Request needed documentation to complete level of care if the level of care is moderate or higher. Documentation includes:
  - Last 30 days documentation: therapy notes, incident reports, daily notes, school reports if any.
  - CANS Assessment.
  - For children/youth with emotional disturbance: Psychological or psychiatric evaluations, completed within 14 months.
  - For children/youth with primary medical needs: An evaluation by a physician (MD), physician's assistant, or nurse practitioner, describing medical conditions or disabilities.
- Request LOC review from Youth For Tomorrow (YFT).
- If the YFT LOC review results in a Moderate LOC or above, email the YFT Utilization Review and Reauthorization Service Form (completed by YFT) to raquel.garcia@dfps.state.tx.us upon receipt of the form from YFT.
- Send the completed PCA packet to the eligibility specialist no later than 30 days prior to the transfer of PMC to the caregiver, as there must be enough time for eligibility to be determined and a PCA signed with the family prior to transfer of PMC. The eligibility specialist will determine if the child is eligible and if so will forward the packet to the PCA/ADO negotiator.

**Steps for Permanency Care Assistance Packets**

**Eligibility requirements for PCA**

- The caregiver must enter into a permanency care assistance agreement with DFPS on behalf of the child prior to becoming the child’s permanent kinship conservator.
- The child is eligible to be the subject of a permanency care assistance agreement if all the following eligibility criteria apply to that child:
  - The child’s prospective permanent kinship conservator:
    - is related to the child by consanguinity or affinity or
    - has had a longstanding and significant relationship to the child prior to 2INgage placing the child in the home of that person and
    - must have been eligible for the receipt of foster care reimbursements on behalf of the child who is the subject of the permanency care assistance agreement for at least six
consecutive months prior to the effective date of the permanency care assistance agreement.

- The child has demonstrated a strong attachment to the prospective kinship permanent conservator and that person has a strong commitment to caring permanently for the child.

**2INgage Tasks to Complete Before Transferring PMC**

- At the time the permanency care assistance agreement is signed, 2INgage has determined that neither adoption nor reunification are appropriate permanency options.
- If the child will be at least 14 years of age at the time the permanency care assistance agreement is signed, 2INgage has consulted with the child about the prospective permanent kinship conservator’s commitment to assume permanent managing conservatorship of the child.
- When the child is nearing the completion of being in the foster home for 6 consecutive months, 2INgage will prepare a complete PCA packet for each child using the [Permanency Care Assistance Checklist/Guide-Form 2124](#).
- The checklist requires a 2INgage Supervisor’s original signature and date for each child.
- Original signatures & dates are required on the family’s forms (PCA Request/Form 2115, PCA Worksheet/Form 2116, and Kinship Family Resources/Form 2118, found on [Smiley Forms webpage](#)/CPS/Permanency Care Assistance).
- If sibling group, a complete set of forms is required for each child. Scans or faxes are not accepted.
- 2INgage will gather source documentation needed for each child’s packet (reference PCA Checklist/Guide).
- The PCA/AA negotiator will receive the required information from the eligibility specialist to create the FAD stage and will also request a Vendor ID Number. The PCA/AA negotiator will assign the FAD stage to the 2INgage supervisor once the FAD stage is created. In the Sub stage, PCA tab, complete a PCA application for each child on IMPACT and submit to assigned subsidy worker. Cases are assigned by caregiver’s last name.
- 2INgage will ensure the Authorized Level of Care (ALOC) listed on IMPACT is correct and accurate for child.
- 2INgage will mail complete packet(s) to the foster care eligibility specialist assigned to that county (Refer to Foster Care Eligibility Coverage Map at least 30 days prior to PMC being transferred).

It is preferred to NOT have a court date scheduled to transfer PMC. This is to allow sufficient time for the negotiator to schedule a time to meet with the family.

The eligibility staff will review each packet for completeness. If completed, the eligibility worker will email a Preliminary Determination notification to 2INgage, 2INgage Supervisor and the regional negotiators.

The negotiator will meet with the family either in person or by phone, negotiate subsidy benefits, and obtain caregivers signature on the permanency care assistance agreement. The regional negotiator will email 2INgage when signed PCA negotiations are completed and that PMC can be transferred to caregiver. The family will send the original signed PCA agreements to the eligibility specialist to be filed.

Do **NOT** proceed with transferring PMC until PCA benefits have been negotiated!
2INgage Tasks to Complete After Transferring PMC

- After the final court hearing, scan the order signed by the judge to the assigned eligibility specialist.
- In the SUB stage, update legal status with “FPS Responsibility Terminated.”
- End placement in the SUB stage with reason “Child placed in PCA.”
- Email foster care eligibility to end billing/FC benefits.
- Assign the PCA stage as primary to the eligibility specialist.
Adoption

2INgage will be responsible for the full array of adoption services in Region 2 as outlined in CPS Policy 6900 Adoption Preparation and Support Services.

Out-of-state Interstate Compact on the Placement of Children (ICPC) adoption services requests will follow established ICPC protocols.

Interstate Compact on the Placement of Children (ICPC)

The following regional protocols have been developed to manage Interstate Compact on the Placement of Children (ICPC) specific situations in the Region 2 catchment area.

For more information on ICPC processes, see CPS Handbook policies 4500 Interstate Placements and 9000 Interstate Compact on the Placement of Children (ICPC).

Incoming Request for Foster or Adoptive Home Study and Placement for Children from Other States

DFPS will refer ICPC foster or adoption placement requests for children legally from another state into the Region 2 catchment area to 2INgage to facilitate the verification or approval of the home through the 2INgage provider network.

All timeframes outlined in this process enable Texas to meet the requirements of the Safe and Timely Interstate Placement of Foster Children Act and ensure timely permanency of children from other states.

Foster Home Study Requests

Initial Assessment Process

- The 2INgage ICPC Coordinator will determine if the child requires standard or treatment (therapeutic) foster care services based on information from the sending state.
  - If the child requires treatment (therapeutic) foster care services, 2INgage will follow the If the child requires Treatment (Therapeutic) Foster Care Services process.
  - If the child requires Standard Foster Care Services, 2INgage will continue with the initial assessment process below.

- The 2INgage ICPC Coordinator will complete background checks on all household members to identify if there are any obvious bars to verification. *Background checks must include FBI, DPS, FPS history, and central registry checks along with out-of-state child welfare checks for all household members age 14 years and older.

- 2INgage will refer the request (including background check results) to a network provider to complete the initial assessment process.

- If there is delay in receiving the results of the background checks, the 2INgage ICPC Coordinator will send the network provider the information they have at the time, so they can begin the assessment process in time to meet the required due date.

- 2INgage will ensure the initial assessment is completed and returned to State Office ICPC within 45 calendar days from receipt of the ICPC request. 2INgage may use the DFPS ICPC Initial Assessment form, or develop its own template.
Based on the outcome of the initial assessment, the 2INgage ICPC Coordinator will prepare an ICPC Decision Memo (approved or denied) and upload to IMPACT with the completed initial assessment. IMPACT automatically sends an alert to state office.

State Office ICPC will send the ICPC Decision Memo and completed initial assessment to the sending state.

**If the initial assessment is denied:**
- If the initial assessment is denied, or a bar is identified as a result of a background check, the 2INgage ICPC Coordinator will prepare an ICPC Decision Memo explaining the reasons for the denial and why the family is not appropriate.
- The 2INgage ICPC Coordinator will upload the ICPC Decision Memo into IMPACT.
- State Office ICPC will forward the ICPC Decision Memo to the sending state.

**If the initial assessment is approved and the child requires Standard Foster Care Services:**
- The 2INgage ICPC Coordinator will send the ICPC request packet to an appropriate provider in their network to complete the Foster Home Verification Process.
  - The referral email will include the following due dates:
    - The 2INgage network provider must contact the family by phone/email or certified mail within **7 calendar days** from receipt of the ICPC request packet.
    - 2INgage must complete the process for verification of the home and return to State Office **within 120 calendar days**.

**If the ICPC request is for Standard Foster Care Services and the caregiver is already verified by a private agency for foster care:**
2INgage must determine if the family is already verified by a provider within the 2INgage network.

If the caregiver is already verified through an 2INgage network provider:
- 2INgage must return the completed home verification documents to State Office within **14 calendar days**.
- If the foster care verification needs to be updated to meet ICPC timeframe requirements, 2INgage must update the verification of the home and return to State Office within **30 calendar days**.

If the caregiver is already verified through a provider that is not an 2INgage network provider, 2INgage must give the family the option to transfer to an 2INgage network provider.
- If the family chooses to transfer to an 2INgage network provider, 2INgage must assist the family in the transfer process, update the family’s verification, and return to State Office within **60 calendar days**.
- If the family chooses to remain with the out-of-network provider, the 2INgage ICPC Coordinator will prepare a decision memo with contact information for the private agency and send to State Office ICPC.
- State Office ICPC will notify the sending state.
If the caregiver is verified by a public state agency:

- 2INgage will follow the Outgoing Foster Home and Adoption Study Request process above.

- Placement entry will reflect direct placement with the caregiver and will not be under the SSCC network since they are verified by a public agency. Foster care payments will be directly to the caregiver from DFPS.

- The SSCC referral will remain active for case management services.

If the child requires Treatment (Therapeutic) Foster Care Services:

- 2INgage will prepare an ICPC Decision Memo outlining the basis for the child requiring treatment services, including the specific diagnoses of the child.

- 2INgage will prepare a list of private residential providers in the area that the sending state can contract with for treatment foster care services.

- The 2INgage ICPC Coordinator will upload the ICPC Decision Memo and list of private residential providers into IMPACT.

- State Office ICPC will forward the ICPC Decision Memo and list of private residential providers to the sending state with information on the need to contract for foster care verification directly with a private residential provider.

- When the sending state establishes a contract with a private residential provider, the sending state will submit a new ICPC request to State Office ICPC.

- State Office ICPC will approve the placement based on receipt of the completed ICPC request packet (packet will include a copy of a current and approved foster home study, foster verification certificate (license), and statement that a contract is in place).

- State Office ICPC will ensure the ICPC packet has been uploaded into IMPACT.

- If the child/sibling group is placed in a verified foster home located in Region 2, the private residential provider will be solely responsible through direct contract and payment from the sending state for:
  
  o Conducting supervision of the child as established in the sending state’s contract with the private residential provider.

  o Monitoring the family for licensing purposes according to Minimum Standards for Child Placing Agencies.

If the ICPC request is for Treatment (Therapeutic) Foster Care Services and the caregiver is already verified by a private agency for foster care:

- If 2INgage determines in the assessment that the caregiver is already verified by a private agency for foster care services, regardless of whether the provider is in the 2INgage network, the 2INgage ICPC Coordinator will prepare an ICPC Decision Memo with contact information for the private agency.

  o The 2INgage ICPC Coordinator will complete the ICPC Decision Memo and upload the ICPC Decision Memo in IMPACT.

  o State Office ICPC will forward the ICPC Decision Memo to the sending state with information on the:
• Need to contract directly with the private residential provider the home is already verified under
• Provider contact information in order to be connected to the private residential provider.

• When the sending state establishes a contract with the provider, the sending state will submit a new ICPC request to State Office ICPC.

• State Office ICPC will approve placement based on receipt of the completed ICPC request packet (packet will include a copy of the approved foster home study, foster verification certificate (license), and statement that a contract is in place).
• State Office ICPC will ensure the ICPC packet has been uploaded into IMPACT.

Title IV-E University Training Program

Refer to: DFPS Policy 3000 Introduction to the Title IV-E Program, 4000 Title IV-E Training Contracts With Universities

2INgage Title IV-E University Training Program for Current and Non-Employees

This section explains the:

- Process for applying to the Title IV-E University Training Program; and
- How the 2INgage training academy managed by the 2INgage training division support that effort.

Each year, DFPS awards federally funded training to eligible 2INgage employees and eligible state universities for students preparing for employment with the 2INgage. The number of awards is based on the number of Title IV-E-funded positions that the 2INgage anticipates each year.

The awards are made to eligible 2INgage employees who are interested in a Master of Social Work (MSW) and eligible students who are enrolled in academic programs that lead toward a Bachelor of Social Work (BSW) or Master of Social Work (MSW).

The 2INgage training academy provides basic skills development training to these trainees to prepare them for 2INgage employment.

Applying for Title IV-E Training with the 2INgage for Non-Employees

To request admission for a student, the university’s coordinator for the Title IV-E Child Welfare Program sends an email to:

- The CPS Regional Operations Support Administrator (ROSA)
- 2INgage Director of Community Engagement
- The DFPS Title IV-E contract manager

The email must contain the applicant’s:

- Name
- Date of birth
- Social Security number; and
- Type of degree (BSW or MSW)

For BSW students, the coordinator sends the email at least three months before the start of the student’s final semester.

For MSW candidates, the coordinator sends the email at least three months before the candidate’s first semester.
Each applicant submits the following to the university coordinators. The University will then provide the information to the ROSA and the 2INgage Director of Community Engagement. The ROSA will maintain all original documents for the Title IV-E stipend program.

- University acceptance letter
- Statement of interest or from STARK
- Three professional letters of recommendation from professors or employers
- Copy of students most recent unofficial transcript from University
- STARK Test results and waivers as appropriate
- Certified copy of the applicant’s driving record
- Volunteer application, Form 0250
- Authorization for a background check, Form 0250b
- An HHS Acceptable Use Agreement, Form HHS-AUA
- Form 0261 Volunteer Program Work Rules, Standards of Behavior and Performance
- Volunteer Confidential Statement Form 0251
- TB Test Results

To enable the applicant to take any required pre-employment test/assessments, the university’s coordinator directs the applicant to apply for a 2INgage specialist position in the appropriate 2INgage unit. Taking this step creates a profile in the 2INgage human resources system that allows the applicant to access any required tests/assessments.

Once the applicant has applied for a 2INgage specialist position, the 2INgage designee forwards copies of the following to the Centralized Background Check Unit (CBCU), so that appropriate checks can be performed:

- A certified copy of the applicant’s driving record
- A volunteer application, Form 0250
- Authorization for a background check, Form 0250b

The CBCU forwards the results of the checks to:

- The ROSA
- 2INgage Director of Community Engagement and
- The contract manager.

If the results are questionable, the ROSA or 2INgage Director of Community Engagement reviews them and determines whether the applicant is employable.

If the checks are acceptable, the ROSA sets up interviews which includes the ROSA, Hiring Manager, and 2INgage personnel. If the interview is acceptable, the ROSA or 2INgage Director of Community Engagement notifies each University coordinator who will prepare a Stipend Student Information Form for each student. The university coordinator will then forward the information form to the contract manager who prepares an agreement for each student.

If the results of any of the above assessments are not satisfactory, the ROSA or 2INgage designee:

- Prepares a disapproval memo; and
- Forwards it to the university coordinator who will notify the student.
The ROSA sets up an orientation meeting to review and sign the stipend contract agreement. Participants include the ROSA, 2INgage Director of Community Engagement, the university coordinator and the students. These contracts are not executable until they are signed by 2INgage.

During the orientation meeting, the following topics are covered:

- The terms and conditions of the agreement, including any payback responsibilities.
- The commitment that students must make to accept any statewide employment with 2INgage on completion of their training.

The ROSA then forwards all signed agreements, along with a completed checklist for each contract, to the 2INgage Director of Community Engagement for final approval. Once signed, the ROSA will send the original signed agreement to the State Office Contract Manager for final processing.

After each agreement is approved:

- The State Office Contract Manager will send a signed copy of the agreement to the stipend student.
- The ROSA or 2INgage Director of Community Engagement completes a Move, Add, or Change form (known as an eMAC) to obtain a log-in ID for access to DFPS systems
- The interns are ready to attend training offered by the 2INgage.
- The 2INgage Director of Community Engagement will designate a unit supervisor for the intern to be placed under for training through the duration of the placement, communicate the information/location to the University liaison and intern.
- The 2INgage Director of Community Engagement will send training orientation invites to the 2INgage interns before the intern reports to the placement location.

Interns must maintain satisfactory performance while participating in the program. If an intern fails to complete training or is disqualified from the program, he or she must pay back the award, in accordance with the agreement.

Two months before university graduation, each student must submit an employment application to 2INgage for a Title IV-E eligible position.

Each intern must accept any Title IV-E eligible position offered statewide within 60 days of graduation.

The ROSA or 2INgage Director of Community Engagement notifies the Title IV-E contract manager that the intern has been placed in a Title IV-E position.

**Applying for Title IV-E Stipend for SSCC Employees**
A current 2INgage employee interested in obtaining their MSW through the stipend program must be in an 2INgage IV-E eligible position and completes the following steps:

- Three months prior to the beginning of the first semester to which the employee is applying, submit a brief proposal to the ROSA and 2INgage Director of Community Engagement with an explanation of how the employee will maintain currency of their workload and complete their schoolwork and any internships outside agency time.
The ROSA reviews the Supervisor Checklist and verifies the following:

- Employee has been employed by 2INgage at least one year by the start date of the proposed first university semester.
- Employee is currently in an IV-E eligible position.
- Employee meets all performance criteria.

The ROSA schedules an interview which includes the ROSA and 2INgage. The interview panel reviews all documentation and based on the interview, approves or disapproves the stipend. If approved, the ROSA notifies the appropriate university coordinator who will prepare a Stipend Student Information Form for the employee. The university coordinator will then forward the information form to the contract manager who prepares an agreement for each student.

The ROSA sets up a contract signing meeting to review and sign the stipend contract agreement. The participants include the ROSA, 2INgage Director of Community Engagement, the university coordinator and the employee. These contracts are not executable until they are signed by the 2INgage.

During the contract signing meeting, the following topics are covered:

- The terms and conditions of the agreement, including any payback responsibilities.
- The employee must sign a contract with 2INgage to repay the stipend received, through full time employment with 2INgage. Repayment is four calendar months of employment in an IV-E eligible position for each semester which the stipend was paid to the employee. Repayment of the stipend through full time employment begins the first working day after the date of graduation.

The ROSA then forwards all signed agreements, along with a completed checklist for each contract, to 2INgage for final approval. Once signed, the ROSA will send the original signed agreements to the State Office Contract Manager for final processing. The State Office Contract Manager will send a signed copy of the contract to the stipend employee.

**Reporting Threats or Incidents**

Physical attacks on employees are rare. However, because employees must often interview people who are angry, fearful, and occasionally hostile or aggressive, it is wise to take precautions and ensure that information about threats or incidents are reported and information is shared with both 2INgage and DFPS. DFPS Worker Safety Support staff will disseminate and track threats or incidents and will ensure that information is shared with 2INgage and DFPS.

Reportable threats or incidents include but are not limited to:

- Physical assault or threats in or out of the office.
- Threatening phone calls, emails, or web posts.
- Outbursts in the office requiring a law enforcement response.
- Theft or vandalism.
- Bomb threats.

To report a threat or incident, 2INgage staff should go to the [DFPS Worker Safety Support page](#) and complete the form to report an incident or threat. This will send a notice to the Worker Safety Support team.

The DFPS Worker Safety Support team will document and track the incident as well as send notification to points of contact with DFPS and 2INgage.

Additionally, 2INgage staff are encouraged to document worker safety information in the IMPACT case record. This can be documented in the Case Summary page, under the Special Handling drop down section by checking the box next to Worker Safety and adding details regarding the safety concern in the comment box.
2INgage staff should also follow any internal procedures for incident reporting that may be outlined in the 2INgage Operations manual.

**Child and Family Services Review**

The CPS division of [Federal and Program Improvement Review](#) (FPIR) provides continuous quality improvement services to all regions in Texas to support successful outcomes for children and families served by CPS. The division is made up of:

- Child and Family Services Review (CFSR) Team.
- Parental Child Safety Placement (PCSP) Review Team.
- Family-Based Safety Services (FBSS) Critical Case Review Team.

The Child and Family Services Review (CFSR) Team will be randomly selecting cases that are served by 2INgage as part of their review.

For Additional information see [Federal and Program Improvement Review](#) Safety Net page.

**Office of Consumer Relations (OCR) Assignments**

2INgage will develop their internal protocol to address OCR/FCO/Legislative Inquiries to adhere to time frames required by the division requesting the response.

- OCR/FCO/Legislative Inquiries will be sent directly to 2INgage via the following email box [concernline@tfifamily.org](mailto:concernline@tfifamily.org), Nadine Terry-Washington, 877-942-2239. The Regional Director and Regional Director Assistance will be cc:ed on requests.
• 2INgage will respond to OCR/FCO and any legislative inquiries within required timeframes as directed by divisions requesting response.

• If a substantiation results from the inquires, 2INgage will create a corrective action plan with staff involved to address policy violations.

• If 2INgage believes the substantiation is not valid, they can ask for a review of findings.

• If the substantiation is upheld, they will continue with their corrective action plan.

• The 2INgage corrective action plan will be emailed to the RDA.

• The RDA will input the information into the State Office OCR/FCO SharePoint.

For more information see: Office of Consumer Relations webpage  
http://www.dfps.state.tx.us/contact_us/questions_and_complaints/OCR.asp

**Ombudsman for Children and Youth in Foster Care Process (FCO)**

Same process as above.

For more information see: https://hhs.texas.gov/about-hhs/your-rights/office-ombudsman/hhs-ombudsman-foster-care-help

**Legislative Inquiry Process**

Same process as OCR/FCO; however, there is no corrective action unless there is an inquiry/complaint that accompanies it with a substantiation.
Case Dispute Resolution

There may be times when INV/FBSS and 2INgage (and network providers) may not agree on a case decision or what should happen with a child and/or family.

The following section outlines the protocol to resolve any type of case disputes between INV/FBSS and 2INgage

Case Dispute Resolution Process:

Step 1

- CPI/CPS workers and supervisors, 2INgage and/or a provider (who are closest to the issue in dispute) will work together to resolve case specific issues informally. This will be done through an objective, solution-driven discussion or meeting.
- If a mutually agreeable solution is not achieved in 3 business days, the individual will notify the other individual with whom they have a concern that they plan to involve their chain of command.
- The disputed issue will be elevated to the Program Director and/or Program Administrator level in CPI/CPS and the Director level in 2INgage for attempted resolution.
- The disputed issues will be elevated in writing.

Step 2

- Disputes proceeding to Step 2 will be elevated to a knowledgeable, neutral CPS staff member (Community-Based Care Administrator) who understands the philosophy and goals of community-based care and is not a direct supervisor of the individual involved in the appeal.
- 2INgage must ensure continuity of services, as defined by CPI/CPS, to the child or family affected while seeking to resolve case-specific disputes.

Escalation

- The escalating party will send an email with supporting documentation to the Community Based Care Administrator and 2INgage Senior Vice President with the subject line of “Dispute Resolution.”

Resolution

- Once a dispute is escalated (appeal), the Community Based Care Administrator will provide a written decision to the appeal within 5 business days.
- The written decision will be emailed to the 2INgage Senior Vice President with the subject line of “Dispute Resolution Appeal Decision.”
- If the 2INgage Senior Vice President chooses, they will have 3 business days from receipt of the notification from the CBC Administrator to appeal the decision to the CPS Regional Director.
- The CPS Regional Director will have 5 business days to make a decision on the 2INgage Senior Vice President’s appeal.
• If the 2INgage Senior Vice President chooses not to appeal, they will notify the CBC Administrator.
Situations Requiring Immediate Notification Between SSCC and DFPS

Situations that require immediate notification between 2INgage and DFPS include:

- When a child, who is referred or placed with 2INgage, is in a life-threatening situation and/or
- Any time the media is involved with a child placed with 2INgage.

SSCC Process on Funeral/Burial Procedures and Invoicing

CPS Handbook §6491, 6492 and §8512 ($4,500 max per policy)

SSCC will arrange a funeral for any child or youth who dies while in CPS managing conservatorship or any young adult, age 18 or older, who dies in extended foster care.

Funeral arrangements include burial or cremation as specified in CPS Policy Funeral and Burial Services for Children in DFPS Conservatorship. Children or youth placed with relatives or in the birth home at the time of death are eligible for financial assistance for funeral arrangements if CPS was the managing conservator.

To ensure proper arrangements are made, the caseworker must complete the following steps in the order outlined:

- Inquire About Children’s Funds
- Involve Biological Parents
- Involve Foster Parents and Other Significant Individuals
- Involve Community Partners
- Access CPS Funding

**Involve Biological Parents**

The 2INgage Permanency Case Manager should involve the child’s biological parents in the funeral arrangements to the maximum extent possible, even if parental rights have been terminated, if the case manager determines doing so is appropriate. For example, parental involvement:

- may not be appropriate if rights have been terminated and the child was in a pre-consummated adoptive placement; or
- could be appropriate if a parent has remained in contact and the child was in a placement not intended to be permanent.

Regardless of legal status, a parent may wish to help with arrangements, express preferences, and contribute resources to cover the costs of a child’s funeral. The case manager may not ask the biological parents to pay for all or some of the funeral expenses. However, parents may contribute directly to the funeral home if they so choose.

- The 2INgage Permanency Case Manager must document in the child’s case record the:
  - date the case manager spoke with the parents;
  - content of the discussions;
  - outcome; and
  - date the parents responded.

**Involve Foster Parents and Other Significant Individuals**

The 2INgage Permanency Case Manager should also invite foster parents and other individuals significant to the child’s life to participate in planning the child’s funeral arrangements. The 2INgage Permanency Case Manager does not solicit contributions from foster parents and other significant individuals. However, if they voluntarily indicate that they wish to contribute to some of the funeral expenses, they may do so by paying the funeral home or other vendor directly.
Involve Community Partners

The external community is often a key partner in securing funeral arrangements for a child who died while in CPS conservatorship. When a community partner expresses a desire to assist with funeral arrangements, CPS coordinates with those partners. CPS is legally authorized to accept donations, gifts, or in-kind contributions to cover funeral expenses.

Access CPS Funding

If resources are not available to fully fund the cost of a funeral for a child who died while in conservatorship, the caseworker may authorize up to $4,500 per child for reasonable and necessary burial or cremation expenses. The 2INgage Permanency Case Manager must contact the regional burial liaison, CBC Region 2 Contract Administration Manager (CAM), to make the request for funds. If the 2INgage Permanency Case Manager determines funding in addition to the $4,500 is needed for the child’s funeral, the CPS region must seek approval for additional funding from the CPS Assistant Commissioner. Additional funds may be expended to cover the funeral costs as described in CPS policy Funeral and Burial Services for Children in DFPS Conservatorship.

For the Funeral Home to receive payment, the following is needed:

1. Prior to SSCC staff signing any agreement you must send to the CBC Region 2 CAM to review for allowable/unallowable items. Itemized contract/agreement from the Funeral Home. The contract must be signed by SSCC designated staff and the authorized funeral home staff.

The allowable expenses for funeral services are limited to:

- transportation of the body;
- embalming;
- a coffin;
- burial or cremation;
- grave plot;
- headstone or memorial marker (required); and
- other reasonable and necessary burial expenses.

Unallowable expenses

Burial funds may not be used for:

- floral arrangements, cards, registry; or
- limousine transportation for the family or other individuals.

The SSCC caseworker uses as much of the DFPS burial funding as is needed to cover the allowable expenses after applying contributions provided by the parents and community partners. Contributions from parents and community partners may be used for floral arrangements, police escort, limousine transportation, or catering depending on their preferences but must not be included in the funeral home contract/agreement.

1. A complete Form 4116 Purchase Voucher. This form must be signed by funeral home representative and SSCC designated staff. Funeral home can contact the CBC Region 2 CAM, Reid Miller for help in filling out this form (325) 691-8267.
2. A complete Form AP-152 Application for Texas Identification Number and 74-176 Direct Deposit Authorization.
Important Notes:

- Only include the items that DFPS is paying for on the Form 4116 in box #20 Description of Good and Services.
- Funeral home representative signature authority will need to sign next to the X (above box #24), including phone number. Print name and phone number in #24.
- SSCC authorized staff must sign the first line in box #26 include phone number and date.
- Email all completed documents to the CBC Region 2 Contract Administration Manager: Reid.Miller@DFPS.State.TX.US

Supervised Independent Living (SIL) is a type of voluntary Extended Foster Care placement where young adults can live on their own, while still getting caseworker and support services to help them become independent and self-sufficient. The SIL program allows young adults to live independently under a supervised living arrangement provided by a contracted provider. A young adult in SIL is not supervised 24-hours a day by an adult and has increased responsibilities.
