November 7-10, 2016

Sheraton Arlington Hotel ~ Arlington, TX

CALL FOR PRESENTERS

The *Strengthening Youth and Families Conference* is Texas' only interagency-funded annual conference for youth-serving professionals, attracting over 300 attendees who come together for several days of networking and professional development. Conference partners include Health and Human Services Commission and Texas System of Care, Texas Department of State Health Services, Texas Department of Family and Protective Services, Texas Juvenile Justice Department, the State Volunteer Resource Council for Texas Youth, Texas Juvenile Justice Providers Association, Texas Education Agency, Texas School Safety Center at Texas State University, Texas A&M University, Texas A&M AgriLife Extension Service, and Prairie View A&M University's Juvenile Crime Prevention Center.

The Conference Planning Committee seeks to offer workshops related to the promotion of positive youth development and the prevention, intervention, and treatment of high risk behaviors in youth. Workshops will be geared to a multi-disciplinary audience of youth-serving professionals, volunteers, and family members.

A limited number of workshop slots are available for individuals and groups interested in conducting presentations at this conference. Each workshop will be limited to either 60 or 90 minutes. Applicants interested in providing presentations on multiple topics must submit separate applications for each topic. Stronger consideration will be given to proposals that include presenters or co-presenters with lived experiences in accessing services and/or to presentations related to evidence-based or evidence-informed practices. **Applications must be received by April 29, 2016 to be considered.** The primary speaker for each workshop will be given a complimentary conference registration; the secondary speaker will be given a 50% discount off the registration fee. Hotel accommodations and travel costs are the responsibility of the presenters. Finalists will be notified by June 15, 2016.
