Send GPS the 6-digit (non-hyphenated) School District code that matches the school district name the children in the placement attend.

The screenshot shows a web browser window with the URL [schoolsdata2-93b5c-tea-texas.opendata.arcgis.com/datasets/TEA-Texas::districts2020to2021/about](https://schoolsdata2-93b5c-tea-texas.opendata.arcgis.com/datasets/TEA-Texas::districts2020to2021/about). The page header includes the TEA logo and the text "Texas Education Agency Public Open Data Site". The main content area displays a map of Texas with numerous small, multi-colored polygons representing school districts. To the right of the map, the title "Districts2020to2021" is visible, along with a user profile for "Private Member Texas Education Agency". Below the map and title, there are three buttons: "View Map", "Download", and "More". A red arrow points to the "Download" button.
