19th Annual Partners in Prevention Conference

Hosted by DFPS Prevention & Early Intervention Division
November 5 - 7, 2019 | Austin, TX | Renaissance Austin Hotel

Partners in Prevention is the largest annual gathering of prevention and early intervention professionals in Texas. The conference attracts parent educators, youth service providers, civic leaders, policy advocates, researchers and others with a professional interest in child and family well-being, youth development and juvenile justice.

Our 2019 theme — **Action! Connecting Learning to Families** — incorporates what conference goers will observe, listen, and plan for their programs considering the collective work to reduce child abuse, enhance school readiness, and improve social-emotional and physical health.

PIP’s exhibitor gallery is an excellent opportunity for organizations working in the field to promote their products and services. **Exhibitors will receive half-price conference registration fees for up to two people from each exhibiting organization.** Those wishing to attend sessions must complete the conference registration process. This is a great way to gain access to conference materials, including session presentations and handouts.

Exhibitor Space

Each exhibitor will receive two exhibitor badges, a 6-foot table, two chairs, a wastebasket, access to the exhibit hall and refreshment breaks. Electrical outlets will be available for an additional fee. For access to conference meals, sessions and their associated presentations and handouts, you will need to register as a conference participant.
